Department of Education

Tom Horne  
Superintendent of  
Public Instruction

September 22, 2005  
FD 08-06

**TO: National School Lunch Administrators  
Commodity Contacts**

**FROM: Mary Szafranski, Deputy Associate Superintendent  
Health and Nutrition Services**

**SUBJECT: Introducing Tina Herzog**

I am very pleased to announce that the Arizona Food Distribution Program has a new Program Administrator. Tina Herzog, who previously worked for Health and Nutrition Services as an Administrative Service Officer, is ready for a new challenge and has accepted the position of Food Distribution Program Administrator.

Tina came to ADE in 2004 from Riley County, Kansas where she was the Budget and Finance Officer for the County, responsible for developing and administering a \$30 million budget. Prior to Kansas, Tina worked for Michigan public schools for 8 years where she held various positions such as a program administrator, grants manager and staff trainer.

Tina has a Bachelors degree in Business Administration with a concentration in Management and comes to the program with diverse management and budget experience. She enjoys the variety and challenges that come with administering a program and enjoys working for a department that has such a positive impact on the well-being of Arizona children. She looks forward to expanding the Food Distribution Program even more each year, as they have consistently done in the years prior.

**Please join me in welcoming Tina to the Food Distribution program.** She can be reached at 602-542-8781.

On another note, food distribution and US Foodservice have **new fax numbers**. Effective immediately you can fax information to ADE at 602-542-6978. US Foodservice is now accepting faxes at 602-352-3439 (Pam) and 602-352-3441 (Linda).
